

CUPRUM

Perfiles Arquitectónicos

anorama®

*P*anorama.

Cuenta con gran variedad de soluciones: fijo, corrediza, proyección, sifón, cancel de baño, fachada integral, entre otras. Esta línea se fabrica con la más alta calidad, convirtiendo a Cuprum en el fabricante líder de perfiles de aluminio en el País.

Aunque muchos otros fabricantes de aluminio han buscado copiarla, la original siempre será "Panorama de Cuprum" manteniéndose en el gusto de muchos arquitectos de México. Por ello aquí presentamos la nueva versión del catálogo de perfiles que componen la línea. Recuerda que para facilitarte el trabajo contamos con Asesoría Técnica y ofrecemos troqueles que agilizan el armado de tus ventanas.
